

Forecast 5

Forecast5 (F5) is a new fundraising App for Irish Clubs and Societies

It's based on a football scores prediction competition which generates revenue for your local club whilst giving you the chance to win or share in the prize fund.

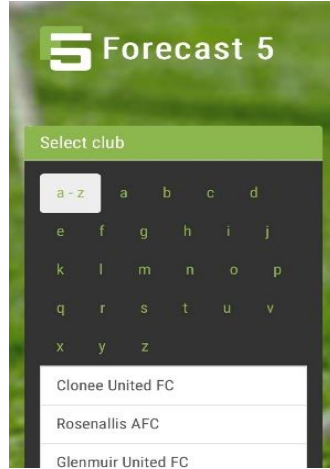

- Go to Google Play or Apple App Store and download Forecast5 (all one word)
- Tap register and choose your Club, then “confirm selected club” to register
- Once you have registered, log in to the app.
- Click on the menu button and then pick “Monthly Subscription”
- Once the payment process has been completed, you can then enter your picks for the week.
- Each Monday, a new game week will commence and you can pick your scores again for the week!
